

## 2011/12 Family Series Fundraiser

### Summary

Education is the foundation of the Omaha Symphony's organizational mission. We rely on music educators to nurture and enhance our audience. For the 2011/12 season we are launching a new program for select educational organizations. We are offering a discounted price for our Family Series. OMTA members can sell the Family Series to their students at full price and the remainder will then go to your organization.

### Time Frame

September 1, 2011 - October 13, 2011

### Dollars & Cents

Family 4 Pack (4 tickets to all 4 Family Series performances)

Regular Price: \$99 + \$10 handling fee = \$109

Discounted Price: \$89 (waived handling fee)

The OMTA will net \$20 per Family 4 Pack sold.

### Collateral Materials

We will provide your members with order forms and flyers. These materials should be distributed to students and their families.

### Logistics

In order to achieve a streamlined process we are requiring the appointment of a central contact person from your organization. This person will be in charge of collecting all payments and contact information from OMTA members. All orders must go through your organization in order to receive the special rate. At the end of the campaign this person will provide the Omaha Symphony with the individual order forms and payment for the total sum of the orders at the discounted rate. Timely receipt is essential as the Omaha Symphony cannot print tickets without payment.
