9:00 – Board Meeting

9:45 – General Meeting

10:30 – Program “Smart Music and the Millennium Child”

Come and see what is in store for music in the future and how our students perceive it! Deb Mosier from OPS Catlin Arts Magnet Center will speak about a new Elementary music program that is sweeping the country. Our students don't learn the old fashioned way anymore. They are multi-taskers and we need to stay ahead of the game.

Please join us!

New Meeting Place

We will be meeting at Pacific Hills Lutheran Church, which is located at 90th, and Pacific Streets. This will be our new home this year. Please park in the west lot and enter through the northwest corner door. The meetings will in the Fellowship Hall. Should you arrive after 10:00 and this door is locked, use the door under the canopy on the south side.

Malcom Bilson

Nebraska Music Teachers Association and Omaha and Lincoln Music Teacher Associations have been collaborating with the Lied Center in bringing Malcom Bilson to Lincoln, NE!

Mr. Bilson will be conducting a week-in-residency from October 5 through October 10 at UNL and UNK. He is the leading expert in the field of the period-instrument movement. He has proven to be a key contributor to the restoration of the fortepiano to the concert stage

You, as members of OMTA, will be able to attend the events (including a reception) free of charge. Your tickets to his recital will be discounted.

You might enjoy watching a six-minute video of Malcom presenting ideas (www.youtube.com/watch?v=vTlj3bJcSZ0) and performing (www.youtube.com/watch?v=dvbWnR5QKFE).

Information about ticket sales and a schedule of events for the week will be sent out soon.
