It is not too soon to start grooming your students for our OMTA Recitals. There will be two separate recitals this year. The guidelines for both will remain the same.

The Beginners Recital will be Sunday, November 1 and the General/Advanced will be Sunday, January 31. Check our calendar for entry deadline dates.

If some of your students show an interest in composing, remember that we sponsor the Edna Taylor Composition Recital. Each year we hear dozens of wonderful compositions composed by our very own students! This year it will be held on Sunday, February 27 at Schmitt Music. Check the calendar for entry deadline dates. Plan at attending, even if you don't enter students.

Fun Fair

The 2010 Fun Fair will be on Saturday, February 6th. Jackie Jenkins, Trish Pickens and Jan Zimmerman will continue as co-chairs to assist you and make Fun Fair another success!

We will be accepting donations for the Fun Fair Treasure Hunt, which can be brought to any of our monthly meetings.

Many teachers have already begun to prepare their students. Please refer to your last year grid sheets to make sure you have assigned the correct level for your students. If you have question about levels, now is the time to call. Don't wait until the last minute!

All new teachers are required to have an orientation. If you are a new teacher and wish to learn more about this event, come to our September meeting and talk to any of the co-chairs. Fun fair Packets will be available for you.

Please direct all questions to Jan Zimmerman – 572-76654.

Please e-mail any changes in your address, phone number or e-mail address to Kaye Haar at dkhaar@cox.net
